

For Immediate Release

HGC Offers Exclusive Xbox 360™ Bundled Package *The Ultimate Experience of Fast-Speed On-line Games for Home Entertainment*

Hong Kong, 15 March 2006 - Hutchison Global Communications Limited (“HGC”), exclusive broadband launch partner of Microsoft Xbox 360, and Microsoft Hong Kong Limited (“Microsoft”) today unveiled an exclusive bundled promotion package, providing super value on-line games experience to Xbox followers in Hong Kong.

Starting from 16 March 2006, new customers signing up for a 24-month “HGC Broadband” service plan at a monthly fee of HK\$160 plus \$68 per month will receive an exclusive Xbox 360 bundled package free including one Xbox 360 Core system, “Project Gotham Racing 3”, one 64MB memory unit and one limited edition Xbox 360 football. The bundled package is worth over HK\$2,800. Customers can also enjoy PC-cillin™ Internet Security 2006 Service and HGC efax service free for 12 months for enhanced communication experience. Act fast while stocks last!

HGC is the exclusive Internet service provider (“ISP”) in Hong Kong first to join hands with Microsoft to offer this attractive bundled service package to gamers. The Company has been working closely with Microsoft in Hong Kong since the debut of Xbox in April 2004. As a certified compatible ISP in Hong Kong for Xbox Live® interactive games, HGC owns and operates Hong Kong’s largest fibre-to-the-building (FTTB) telecommunications network, delivering up to 10Mbps¹ symmetrical bandwidth for broadband connection that ensures home players enjoy high-speed on-line interactive games.

Clara Kan, Head of Consumer Market for HGC, said, “HGC and Microsoft joined hands for the first time in 2004 to promote Xbox® on-line games to Hong Kong’s gamers, providing them with unprecedented home entertainment experience through HGC’s

¹ This refers to the bandwidth between customer premises and in-building local switches, and is subject to the infrastructure of individual buildings. Over 90% of HGC’s homepass are connected by Ethernet and VDSL, which provide dedicated upload and download bandwidths of 10Mbps.

quality broadband network. We are excited by the extension of this partnership. On-line game players in Hong Kong are uncompromising when it comes to the speed of Internet connection and network stability. We are confident that with our proven experience and quality network, HGC Broadband will continue to deliver unique digital entertainment experiences to on-line game players at home.”

Chester Wong, Senior Manager of Entertainment and Devices Division of Microsoft Hong Kong, said, “We’re thrilled to be working with HGC to bring powerful digital entertainment experiences to our gamers by converging the high quality services of Xbox 360 and Xbox Live with the speedy Internet connection services of HGC. We are delighted that the number of on-line gamers on Xbox Live is growing fast. Following the launch of Xbox 360 on 16 March this year, we plan to add a broad and diverse range of game titles to Xbox Live. The next generation Xbox Live will soon be available to Hong Kong gamers.”

This new generation of Xbox 360 is a leap in high-definition gaming and entertainment experiences with numerous novel features and sophisticated accessories such as an enhanced console, a brand-new Xbox Guide button, personalised interface, as well as a new line-up of powerful interactive games developed by leading Asian and Japanese games developers such as “Kameo™: Elements of Power”, “Perfect Dark Zero™”, “Project Gotham Racing™ 3”, “Dead or Alive® 4”, etc. It can also bring users unique digital entertainment experiences, such as music, photos, video and TV right out of the box.

For more details of the exclusive bundled package, call HGC’s 24-hour customer service hotline 1226.
