

IMPORTANT NOTICE

Phishing Emails from @on-nets.com and Fake Webpage

It has come to the attention of Hutchison Global Communications Limited ("HGC" / "the Company") that anonymous parties have been sending phishing emails to the public from two fake addresses - service@on-nets.com and admin@on-nets.com using HGC's email domain name @on-nets.com. The fake emails, subjected "Upgrading" and "Update your On-nets email account!", either direct recipients to a fake webpage for an update on their account details via the hyperlink <http://users8.jabry.com/onnets/On-nets%20Internet%20Updates.htm> or request them to provide email addresses and passwords by replying the emails.

HGC hereby clarifies that the Company has not sent out any email from service@on-nets.com or admin@on-nets.com. The Company has no connection whatsoever with the webpage at <http://users8.jabry.com/onnets/On-nets%20Internet%20Updates.htm> nor has HGC authorised the webpage to use the name, logo or trademark of "HGC" and "Hutchison Global Communications". The official website of Hutchison Global Communications Limited is www.hgc.com.hk and that of its Business Broadband Service is www.on-nets.com.

HGC is very concerned with the fake emails and webpage. The case has been reported to the police and the Company reserves all legal rights against all parties involved. Any customers receiving such fake emails please contact HGC on 1222 immediately.
