

## How to Use HGC Internet Roaming Service in Overseas Countries

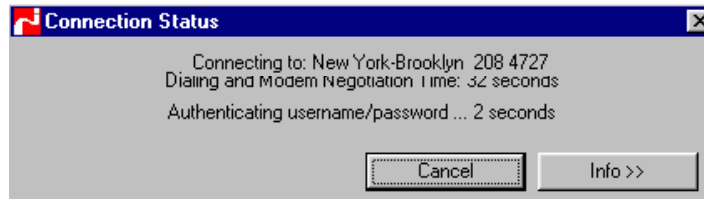

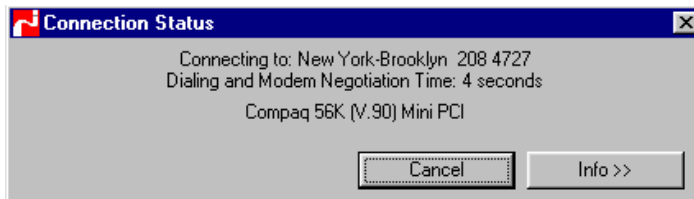

1. Double-click the iPass icon as your desktop.

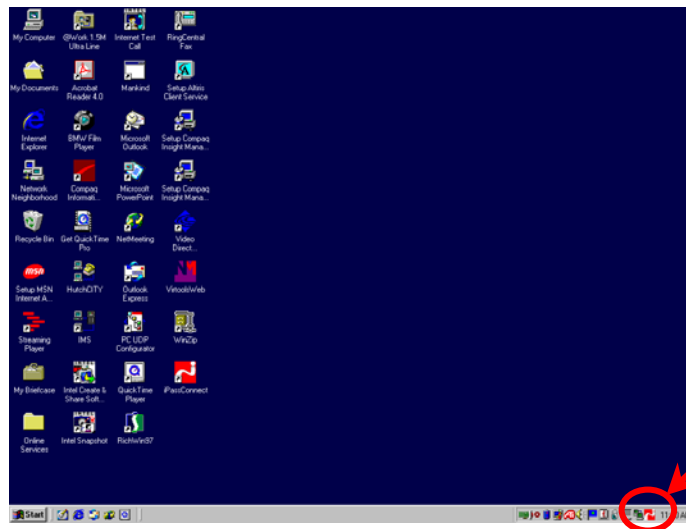

2. Select the "Modem" tab. Then select your location from the Phone Book Window and Click "Connect".

3. Connection Status will be shown as the screen.

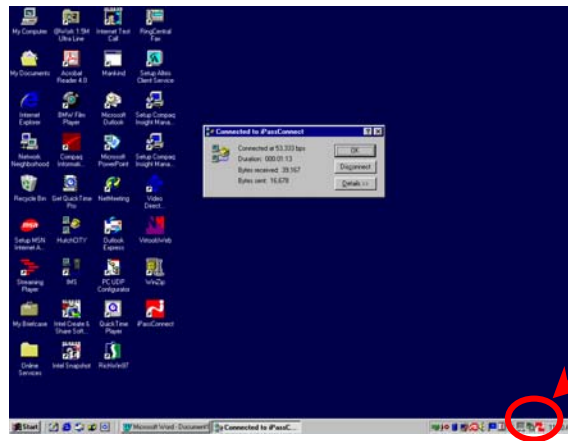

4. When you have successfully login, the iPass icon will be shown at the lower right corner of your screen.

iPass icon

5. To log off, double-click the iPass icon and press “Disconnect”.

Double-click iPass and press  
“disconnect” to log off.

**Please Note:**

1. The roaming charges will be shown on your next monthly HGC statement.
2. No PNETS charges will be imposed but local telephone charges, extra hotel charges or taxes may be imposed at the overseas roaming region.
