myTV SUPER × HGC Broadband 1G Home Broadband + myTV Gold + Concurrent Viewing on 3 Devices = \$198#/mth Triple Up The Joy

(26 April 2021) Stepping into its 5th anniversary, myTV SUPER, the OTT platform of Television Broadcasts Limited (TVB), announced today that it has launched the new service plan with HGC Broadband, the home broadband service offered by HGC Global Communications Limited (HGC) to offer a competitive package of 1G Home Broadband and myTV Gold service with its new function of Concurrent viewing on 3 Devices^. Consumers are able to enjoy their favorite TV programs through myTV SUPER set-top-box via the stable and high-speed broadband network; as well as sharing the concurrent viewing function with two more friends to Triple Up The Joy.

Mr Lam Kwai Hing, the Chief Operating Officer of MyTV Super Limited said, "HGC Broadband is our business partner who shares the same strategy in prioritizing the smooth customer experience and adding value to our services. This year we jointly introduce the concurrent viewing function accompanied by stable and high-speed broadband network to our consumers, not only to enrich their experience but also enhance our competitiveness in the market. That is the win-win solution." Mr Lam remarked that myTV Gold content will be kept up-to-date and diversified, for example, the myTV SUPER Originals "Fraudstars", "Al Romantic" and "SUPER FIVE"; Shaw production "Drive u to the Hell"; express Japanese, Korean and mainland programs as well as sports events such as "FA Cup", etc. (Please refer to Appendices 1 and 2 for details)

Mr Ben Wu, Director – Consumer & Mass Market, HGC, said, "In addition to the high-quality and reliable broadband services, HGC also provides flexibility and diverse choices of entertainment to customers. Together with HGCmore, the one-stop online shopping and ecommerce platform, HGC will meet the various needs of customers for broadband services and quality of life. In the future, HGC Broadband will continue to explore and introduce different service bundle plans and provide customers with more choices."
