Hong Kong, 15 August 2023 – HGC Global Communications Limited (HGC Group) announced the appointment of **Loren Fung** as **Vice President – Group ICT Business**, with immediate effect. Loren will join HGC Group’s ICT Committee, where he will play a key role in driving advancement in ICT business across all areas of the HGC Group.

Loren is a dedicated ICT professional with over 20 years of experience. He has held various leadership roles on sales management, business development & growth and strategy planning at Macroview Telecom, a profound ICT solution company under HGC Group, as well as a global leading IT infrastructure service provider. In this advanced role re-joining the HGC Group, Loren will bring a wealth of intelligence and expertise in ICT industry to HGC Group, spreading out ICT capabilities and further accelerating our digital transformation path.

Andrew Kwok, CEO of HGC, said, “As HGC transforms from a Telco to a Techco, ICT has been a significant driver and component along our digitalisation journey. We are pleased to welcome Loren Fung to our robust Group ICT Committee. Together with our team of digital veterans, Loren is well-positioned to maximise the ICT capabilities and potential across different sectors. We are confident that his expertise will contribute to the Group’s ongoing growth and success in ICT business. “

Loren Fung, Vice President – Group ICT Business of HGC, said, “In today’s rapidly evolving digital era, embarking on a digital transformation journey is crucial for companies across various sectors to maintain their competitive edge. By continuously learning, unlearning and relearning in the dynamic ICT landscape, significant progress can be achieved to keep pace with the new world. I am thrilled to re-join HGC’s empowered team, which possesses strong capabilities and adaptive mindset. Together, we will deliver ICT solutions and services with enhanced business value to our customers and forge shared success. “

###

About HGC Global Communications Limited

HGC Global Communications Limited (HGC) is a leading Hong Kong and international telecom operator and ICT solution provider. The company owns an extensive network and infrastructure in Hong Kong and overseas and provides various kinds of services. HGC has 19 overseas offices and staff presence in 31 cities worldwide. It provides telecom infrastructure service to other operators and serves as a service provider to corporate and households. The company provides full-fledged telecom, data centre services, ICT solutions and broadband services for local, overseas, corporate, SME and mass markets. HGC owns and operates an extensive fibre-optic network, five cross-border telecom routes integrated into tier-one telecom operators in mainland China and connects with hundreds of world-class international telecom operators. HGC is one of Hong Kong’s largest Wi-Fi service providers, running over 29,000 Wi-Fi hotspots in Hong Kong. The company is committed to further investing and enriching its current infrastructure and, in parallel, adding on top the latest technologies and developing its infrastructure services and solutions. In 2019, HGC Group completed the acquisition of Macroview Telecom Limited (Macroview), a leading digital technology solution and managed services provider. The addition of Macroview further accelerates HGC Group’s digital transformation path and positioning as a pioneering ICT and digital services leader. HGC is a portfolio company of I Squared Capital, an independent global infrastructure investment manager focusing on energy, utilities and transport in North America, Europe and selected fast-growing economies.
